Re: Docket Numbers: E-01345A-16-0036 + E-01345A-16-0123

Dear Commissioners,

As a small business owner, I must invest in the efficiency of my own operation to reduce my costs. If utility costs go up it may hinder my ability invest in energy efficiency. As the temperature continues to hit triple digits here in the Valley anything that would unjustly increase my costs could be a detriment to my company.

APS is asking you to allow them to increase the monthly fixed rate. Doing so would impact my ability to control my own power bill by having less funds to spend for energy efficiency technologies. Commissioners, I ask that you vote no to the increases that APS is proposing to the bills of ratepayers.

Sincerely,

Christopher Ramirez
